

THE COLORS OF YOUR WEEK – SEPTEMBER

INTUITIVE INSIGHT FOR SEPTEMBER 5-11, 2016

Wow! Check out the color palette and corresponding art for this week! It's our first full week of September and it's feeling to me like a good time to clear our plates of anything that's no longer serving us while simultaneously being grateful for what's right in front of us and also finding the gratitude in our hearts for what we are letting go of, no matter how joyful or painful it once was. It's a week of clearing, of seeing more clearly, of honoring ourselves with a clear intention of being grateful first. I truly believe that everything we wish for springs from having gratitude for what we have first. And, usually it's much more than we believe we have. This is a great week to take a good look and find the reasons to be gratefully in gratitude for what's right in front of you. Gratitude brings everything...so have so much fun coloring this. Happiness and gratitude go hand in hand. Have a great and grateful week.
